To all donators,

My name is Will. I am a recent recipient of a service dog named Cream Soda provided by Service Peace Warriors of Eltopia, Washington.

I take this opportunity to offer you my sincerest thanks for the contributions folks like you make toward the well-being of veterans such as myself. Without your support, I think it safe to say that Service Peace Warriors could not function or would do so with a great deal more difficulty.

The dogs you help provide fill a need that cannot be filled any other way. They are truly a blessing for guys like me who deal with PTSD on a daily basis.

May the kindness and generosity you show complete strangers in need be shown to you as well each day.

My sincerest thanks,
